

# WEXØE

**control design**  
FOR MACHINE BUILDERS

Readers' choice awards  
2017

**#1 choice**  
in Remote Access

What does Remote Access allow you to do ?

- Troubleshoot and program PLCs remotely
- View and control your remote HMIs from PC or Mobile App
- Connect to a web camera for assistance
- Support field technicians for commissioning

Har i brug for hjælp til Remote Access eller IIoT så kontakt WEXØE/Jacob Hinsch, Mobil: 22219100 eller [jgh@wexoe.dk](mailto:jgh@wexoe.dk)
